**City, XX February, 2010:** Forging ahead with the objective to offer unparalleled products that simplify the lives of mobile users S Tel, the recently launched mobile services brand, has introduced exciting and unique product with respect to talktime, free on-net minutes & free SMS packages for consumers.

**Mr. Shamik Das, Chief Executive Officer, S Tel** said, " *S Tel being the youngest telecom brand in the Indian Telecom arena, has managed to swiftly scale services to bring smiles to more than half million subscribers across its three operating circles. Our new products have been customized for the consumers of Odisha and favor existing/potential users who have light, moderate and heavy usage .With our new offerings, we expect a buoyant demand in the markets & from S Tel users who are growing at a much faster pace than the rest of the industry.*"

Recharge with **S Tel's SALE 151 Pack** and get 60 minutes of free local calls daily for the whole month. This pack will offer 20 minutes of S Tel to other network (local) calling every day and also 40 minutes of S Tel to S Tel local calling free everyday for 30 days.

With the **S Tel's triple benefits 123 Pack**, customers can enjoy Free 333 on-net (S Tel to S Tel) local minutes, 222 free Local and National SMS to any network across India and talk time worth Rs.111 in the main/core balance. The product is valid for 30 days from the date of recharge. This pack is applicable to both Per Minute and Per Second plan users.

The on-net packs **Talk L, Talk XL, and Talk XXL priced at Rs.19, Rs. 39 and Rs 99** respectively will enable the subscribers with seamless communications, while the two **SMS packs – SMS XL-11 and SMS XXL-33 priced at Rs. 11 & Rs. 33** respectively, will provide the subscribers to enjoy the flexibility to send SMS at nominal rates.

This facility is being extended to more than 2 lac S Tel subscribers in Odisha circle.

Commenting on the products, **Mr. Sanjib Swain, Chief Operating Officer, Odisha circle** said, “Our new products aims to provide a greater degree of flexibility for the specific needs of our subscribers. We have introduced low denomination packages for the trial and subscribers can choose a plan as per their specific requirements.”
